## File Description For Master Data

Column Name	Column Description
Status	Current status of project. Valid Value: Completed
As of Date	The last day of the quarter of data represented in this dataset.
Federal Agency	Federal Agency corresponding to the State Agency. Valid value: US DOT
Funding Source	Federal Agency that is the funding source for the state Agency, DOT – Local Aid. Valid value: Local Aid
Program Description	Short Description of the Emergency Relief program or any new program
Project	The name of a DOT – Local Aid project related to Superstorm Sandy. For example: NJ13-01-ATL2
Project Description	A textual description of a DOT – Local Aid project related to Superstorm Sandy. For example: NJ13-01-ATL2 = Repair and replace damaged traffic signal components.
Project Type	The type of project that the funds are being used for
County	This is the name of a county where a Superstorm Sandy related project was worked on. This column may have a single name of a county, a value of 'Statewide' for projects being worked on at a State level, or it will contain the value 'Multi County' for those projects that cross more than one County. A comma separated list of multiple counties relating to one project detail is in the column.
Municipality	This is the Municipality name or names that pertain to a particular project detail. This column may contain either one Municipality Name, multiple Municipality Names separated by commas, 'statewide', etc.

## Sandy – Department of Transportation – Local Aid

Column Name	Column Description
Vendor	Vendor Name. The name of a vendor who is doing work for DOT – Local Aid on Superstorm Sandy-related projects(s). NPO, direct vendors
Applicant	Applicant/recipient of the funds. Example: Local Aid
Route	The roadway generally affected by the storm.
Direction	The direction of the roadway where work is occurring.
Mile Post Start	The mile post marker where the work begins.
Mile Post End	The mile post marker where the work ends.
Location	General description of the location of the work.
Damage Description	Brief Description of the proper work done at the particular site to return damaged area to Pre-Sandy conditions.
Structure #	Particular Structure being worked on.
Completion Date	The date when the work was completed.
FHWA Obligated Amount	Amount of money the Federal Highway Administration (FHWA) has set-aside for a particular project. This amount may not include total cost, but rather reflects the amount that FHWA will reimburse for a particular project. FHWA will reimburse 80, 90 or 100% of the project costs depending upon the type of project.
Labor Amount	The cost of labor for the project.
Equipment Amount	The cost of equipment needed for the project.
Material Amount	The cost of material needed for the project.
Total Cost	The total cost of the project, including both FHWA reimbursed amounts and other costs.
Awaiting FHWA Amount	Money paid out by the New Jersey Department of Transportation in advance of the expected reimbursement from FHWA.
FHWA Reimbursement Amount	The amount of money actually reimbursed by FHWA.
Agency Cost	The amount of money actually expended by the agency administering the project. This may reflect an amount more or less than the FHWA reimbursed amount depending upon timing and the FHWA reimbursement rate.
